

Florida

Vacation Land of U.S.A

Florida had nearly 118 million domestic visitors, the highest level in state history in 2021. Florida's total hotel revenue reached its highest ever in 2021 at \$17.3 billion. The key tourist attractions and weather are two significant reasons for Florida's success. Out of several, Florida has 12 coasts spanning 1,100 miles. Florida is the one-stop solution for entertainment with diversity. There are amusement parks, national parks, film studios, iconic water parks, racecourses, Science museums. Adding to that, there are national parks and NASA's Launching pad. All the aforementioned makes Florida the vacation land of the USA.
